

## ABSTRACT

Now almost every fields and organizations already have a personal *website* to support the organization. Maranatha PSM is a student organization but has a large number of *members*. Unfortunately they do not have a special *website* that handles *membership* issues, dissemination of adequate information. Therefore, PSM Maranatha need a *website* but can answer the needs of the organization with regard to master data that can be accessed from anywhere. Research being done with looking for the source of the theory, and field visits.

Keywords are: Information, Multimedia *membership*, relationship between *members*,PSM Maranatha.

## **ABSTRAK**

Sekarang hampir setiap bidang dan organisasi telah memiliki *website* pribadi untuk mendukung organisasinya. PSM Maranatha adalah organisasi kemahasiswaan namun memiliki anggota yang sangat banyak. Sayangnya mereka belum memiliki *website* khusus yang menangani permasalahan keanggotaan, penyebaran informasi yang memadai. Oleh sebab itu, PSM Maranatha membutuhkan *website* yang dapat menjawab kebutuhan organisasi yang berkenaan dengan master data yang dapat diakses darimana saja. Penelitian dilakukan dengan mencari sumber teori, serta kunjungan lapangan.

Kata kuncinya: informasi, multimedia, keanggotaan, hubungan antar anggota, PSM Maranatha.
