

## ABSTRAK

Bola basket pada masa sekarang ini menjadi salah satu cabang olahraga yang cukup banyak diminati oleh masyarakat di Negara Indonesia. Kegemaran masyarakat terhadap olahraga bola basket dapat dilihat dari antusiasme dalam menyambut *event* yang diadakan dalam mempertunjukan olahraga bola basket, seperti : LIBALA (Liga Bola Basket Antar Pelajar), KANPORA (Kantor Pemuda dan Olahraga), POPDA (Pekan Olahraga Pelajar Daerah), PORPROV (Pekan Olahraga Provinsi), LIMA (Liga Mahasiswa), DBL (Deteksi Basketball League), NBL (National Basketball League), dan sebagainya.

*Basketball Musuem* adalah sebuah museum bola basket yang memerlukan tempat yang edukatif, rekreatif, dan informatif di mana mereka dapat memberikan informasi secara jelas bagi para pengunjung seperti, anak kecil, mahasiswa, *tour guide*, maupun orang luar negeri mengenai sejarah bola basket dengan cara yang menyenangkan. Desain perancangan yang akan dibuat merupakan museum yang secara edukatif, rekreatif, dan informatif dengan sistem *display* yang di dalamnya berusaha untuk mengajak orang-orang merasa nyaman untuk menikmati benda-benda koleksi.

Bangunan ini di desain dengan tema Melayang diharapkan memberikan nilai rekreatif yang ringan, dinamis, dan informal sehingga mudah dinikmati oleh semua kalangan. Melayang ini diambil dari karakter permainan bolabasket, dimana pada saat *dribble*, *shooting*, dan *passing* bola tersebut seolah-olah tidak menyentuh ke lantai. Tema ini diaplikasikan pada konsep warna, *furniture*, bentuk dan material pada setiap ruang bangunan.

## **ABSTRACT**

*Basketball is one of the sports that is quite popular and fond of in Indonesia. Society's interest in this kind of sports can be clearly seen from the enthusiasm and response to activities related to basketball. To name a few are LIBALA (Liga Bola Basket Antar Pelajar), KANPORA (Kantor Pemuda dan Olahraga), POPDA (Pekan Olahraga Pelajar Daerah), PORPROV (Pekan Olahraga Provinsi), LIMA (Liga Mahasiswa), DBL (Deteksi Basketball League), NBL (National Basketball League) and the like.*

*The Basketball Museum is an educative, recreative and informative museum for basketball that provide clear information for its visitors (children, university students, tour guides, or foreign visitors) to be aware of the history of basketball in a fun manner. The interior design is presented in the form of museum with a display system designed to make the visitors feel comfortable while enjoying the collections there.*

*The museum is designed in floating to give a light recreational value that is dynamic, informal and easy to enjoy for all ages. The floating theme is taken from the characteristic of basketball in which the dribble, shooting and passing are simulated as if they did not touch the ground. This theme is applied with the concept of colour, furniture, shape and material for each of the rooms.*
