ACKNOWLEDGEMENTS

Alhamdulillahirabbil'aalamin. In the name of Allah, I have completed my thesis entitled "Teacher's Roles Performed at a TK A School in Bandung". At this opportunity, I would like to thank everyone who has helped me in this process of writing this thesis.

First of all, I would like to thank Ms Cheryl Groth as supervisor I, who has guided me from the time I started writing this thesis, and giving me invaluable advice so that I can finish my thesis. I also wish to thank Mr Edward A. Lukman, as supervisor II, for his constructive comments and guidance during the writing process. This thesis would not have been completed without the months of their valuable assistance and great encouragement.

Secondly, I would like to extend my deepest gratitude to my mother (Nia Kantina) and father (Rudi Rohman), whose love and understanding has made all this possible. Indeed, this writing also belongs to them because they have given me love, understanding, and moral support. Thank you with my heartfelt sincerity.

Last, I am also thankful to all the lecturers, administrative staff and friends of batch 2012 in English Department, Faculty of Letters for their help. Especially Eggy for accompanying and supporting me.

May Allah SWT bless you all.
