ACKNOWLEDGEMENTS

Firstly I would like to express my gratitude to Jesus Christ who always gives me strength and blessings during the writing of this Term-Paper. Without His guidance and help this Term-Paper would not have been possible. I also would like to say thank you to Mrs. Lewinna C. Aguskin as my supervisor, whose expertise, understanding, guidance, always give me motivation and support so as to make it possible for me to work on a topic that was of great interest to me. It was a pleasure working with her. I am thankful to *Equal Bright School* especially Mrs. Merry Ellen, as the school principal, for give me a chance to do my internship and to all of the teachers who have taught me how to be a good teacher. I am also grateful to my parents who always give me motivation, and all of my friends at Maranatha Christian University for their encouragement and moral support and believe in me that I can finish this Term-Paper. Above all, I would like to say thank you and give my honor to those who I cannot say one by one, for all the support, motivation, and prayer. Once again, thank you very much.
