

ABSTRACT

The Background of this thesis work is the result of observation of the psychoanalysis about subconscious mind from the artist. through the criticism, contemplation, and practice, Such matters have made eight works representing works having the character of the installation, as well as affect the senses to the thinking process for appreciators. Theatre of Mind Blue is represented in form of the use of blue colour in every works space and installation for playing with space to make sense of Theatre of Mind Blue.

in any situation we can create a mindset to face constraints and it is played by the mind itself.

Theatre of Mind (Blue)

Keyword : Teater, mind, blue, installation, space, senses, subconscious
