I am very thankful to the Lord that He always strengthens and accompanies me through all the ups and downs in my life, reminding me that being a student is a grace so that I have to finish it well. *Soli Deo Gloria*. I am also grateful to have a supportive family who always prays for me to finish my duty as a student and who never gives up on me. I want to thank my other supporters, such as my best friend, Erin, and my understanding boyfriend, David, for their constant prayers, support, and help. Furthermore, I would like to thank my supervisors, Miss Indriani Kuswanto, S.S., M.Pd who always supports me till the end of this study, and Ibu Dr. Yugianingrum, M.S. who gives me directions in the writing process. Next, I wish also to thank Ibu Lidya, the headmistress of an elementary school who gives me permission to borrow the English textbook. Last but not least, I want to thank my second family at Immanuel Ka Im Tong Majesty church. It is only by His grace!
