

ABSTRAK

Perancangan Interior *Dog & Cat Veterinary Hospital* di Bandung

Deviana Hartono / 1363003

Hewan telah menjadi teman hidup manusia, anjing dan kucing merupakan dua hewan terpopuler yang hidup berdampingan dengan manusia. Keberadaan anjing dan kucing mampu memberi motivasi dan meningkatkan aktivitas fisik. Namun keduanya juga merupakan hewan karier *zoonosis* yang dapat merugikan manusia. Di kota Bandung anjing dan kucing memiliki jumlah populasi yang tidak sedikit, sehingga perlu bagi masyarakat untuk menyadari keberadaan penyakit *zoonosis* tersebut. Dengan begitu dibutuhkan pelayanan jasa medik veteriner yang diwujudkan dalam bentuk *Dog & Cat Veterinary Hospital* yang bertujuan untuk menunjang kesehatan berkaitan dengan penyakit *zoonosis*. *Dog & Cat Veterinary Hospital* mengangkat konsep "*Satisfaction In Trustworthiness*", terinspirasi oleh hubungan antara kesehatan hewan peliharaan khususnya anjing dan kucing dengan kesehatan klien/pemilikinya. Konsep diwujudkan dengan aplikasi bentuk organis dan garis lurus dengan sedikit lengkung serta kombinasi warna-warna cerah dengan tekstur lembut. Perancangan *Dog & Cat Veterinary Hospital* memikirkan organisasi ruang yang tepat berkaitan dengan kemudahan akses dan aktivitas *user* didalamnya, serta sistem pencahayaan, penghawaan, dan *maintenance* yang baik untuk fungsi *Dog & Cat Veterinary Hospital*.

Kata Kunci: Veteriner, Zoonosis, Kepuasan, Kepercayaan

ABSTRACT

The Interior Design of Dog & Cat Veterinary Hospital in Bandung

Deviana Hartono / 1363003

Animal has become live partners for humans, dogs and cats are especially two of most popular Dog & Cats even until now. The existence of Dog & Cats are able to motivate and increase human's physical activity. However, both of them are capable of carrying zoonotic diseases. In Bandung, dogs and cats have amount of population. Therefore, people need to be aware of zoonotic diseases. Veterinary medical services are needed and come into Dog & Cat Veterinary Hospital which aims to support the health from zoonotic diseases. Dog & Cat Veterinary Hospital concept is "Satisfaction In Trustworthiness", inspired by the relationship between the health of pets in particularly dogs and cats with owner's health. The concept realized with the application of organic shapes and straight lines with slightly curved and combinations of bright colors with smooth texture. Dog & Cat Veterinary Hospital design is considering about space organization that is related to the ease of access and user activity, also lighting dan air systems, and good maintenance for Dog & Cat Veterinary Hospital.

Keywords: Veterinary, Zoonotic, Satisfaction, Trustworthiness
