ACKNOWLEDGEMENTS

First and foremost, I am grateful to the Almighty God for the health, strength, wisdom, and peace of mind that He has given to me so that I can finish this thesis.

Secondly, I would like to express my gratitude to all the lecturers, specifically the lecturers of Linguistics of the English Department for the invaluable knowledge that I acquired during my studies at Maranatha Christian University. I place on record, my sincere gratitude to Dr. Trisnowati Tanto, M. Hum. as my thesis advisor for her time, advice and assistance. She always consistently allowed this paper to be my own work, but steered me in the right direction.

Thirdly, I would like to thank my parents as well as my brothers for the abundant love and encouragement.

Fourthly, I also thank my friends for their support, positive attitude, and understanding towards me during my time working on this thesis.

Finally yet importantly, I would like to thank those people who have helped me directly or indirectly with my thesis.
