## **ACKNOWLEDGEMENTS**

All praise just for the God Almighty for His blessing, guidance, and protection He has given to me in the writing process of my thesis. However, I realize that there is a great deal of support and encouragement from many people in my life. I would like to express my sincere gratitude to Ibu Bernadette Santosa, S.S., M.A., my academic supervisor, for the encouragement and guidance during my studies; Ibu Jeanyfer, S.S., M.Hum. and Ibu Joanna Deborah, S.S., M.Hum., my thesis supervisors, for the assistance, encouragement, guidance, and significant advice and correction related to the process of writing this thesis until it was finished. I also extend my gratitude to all of the English Department lecturers that have broadened my knowledge.

My gratitude is truly addressed to my pals whose names cannot be mentioned one by one. Their valuable support is much appreciated.

Finally, I would like to dedicate my special thanks to my parents and my older sister for their love and support throughout my thesis writing.
