## **ACKNOWLEDGEMENTS**

First of all, I am grateful to Allah SWT for making it possible for me to complete this thesis.

A special word of gratitude is due to my respected supervisors, Jeanyfer, S.S., M.Hum. and Dr. Trisnowati Tanto, M. Hum., for showing confidence in my work, and for their patience and help. I am also grateful to all the English Department lecturers, especially those in the field of linguistics.

I would like to acknowledge with gratitude, the support and love of my family—my parents, Dedi and Tya; my grandmothers, Nne and Nnin; my brothers, Anky and Gemy; my aunts; my cousins, Novika, Chrysant, Winny, Luty, and Sahra; and my nieces as well as nephews. Finally, I thank Veronica, Erica, Nabila, and Restiayu for their academic support and friendship. They all kept me going and this thesis would not have been possible without them.
