## ACKNOWLEDGEMENTS

First I would like to thank Buddha Maitreya for His blessings and guidance since the first time I wrote the thesis until I accomplish it.

It is a privilege for me to express my deep sense of thanks and gratitude to my supervisors, Jeanyfer, S.S., M.Hum., Dr. Trisnowati, M.Hum., and Bernadette Santosa, S.S., M.A., who have kindly and patiently helped me step by step in writing this thesis and also given me a lot of suggestions. I feel very grateful for the guidance and knowledge that they have given me and also for their encouragements in order to keep my spirit to finish this thesis.

I would like to thank my parents for their constant encouragement throughout my research period and for having provided everything that I need to support my education.

I would also like to thank all of my best friends who have supported me, and always cheered me to keep my spirit, especially Giovanni, Stephani, Marcel, Enrico, Ruth, Nabila, and my seniors.

At last, I would like to thank the English Department, Maranatha Christian University for providing me with all the facilities that I need.
