ACKNOWLEDGEMENT

First and foremost, I would like to praise the God Almighty for giving me health, blessing and guidance that I can finish my thesis. In composing this thesis, I realize a lot of people have provided supports. In this valuable chance, I would like to thank Hendra, S.S., M.Hum as my supervisor who has guided me as a lecturer and also as a friend. Drs. Edward A. Lukman, M.Hum, my second supervisor for the encouragement and invaluable advice during the process of writing this thesis.

I am profoundly grateful to my beloved parents for the endless love, prayers and patience that keep me motivated to finish this thesis. Finally, my gratitude goes to all of my friends that always cheer me up and always give continuous supports.
