**BLACK BOX** - implies that something goes on inside the designer's mind, but we cannot see what it is that happening. Black-box representations allow various portions of the architecture to maintain their own world models using their own representation scheme.

## MARANATHA CHRISTIAN UNIVERSITY

### ART & DESIGN WORKSHOP BUILDING

**GLASS BOX** - implies that we can see what happening inside the designer's mind. Glass-box construction is facilitated by a uniform representation of knowledge, which in turn facilitates both learning and self reflection.
