ACKNOWLEDGEMENTS

Foremost, I would like to express my deepest gratitude to Jesus Christ for His grace so that I am able to complete this thesis. I am also grateful for His guidance and wisdom during my studies.

Besides, I would like to dedicate my thanks to both my supervisors, Ibu Hianly Muljadi and Ibu Yugianingrum. I truly appreciate your guidance and help in the writing process.

I would also like to send my gratitude to all lecturers and staffs of English Department for the experiences and lessons during the last four years.

In addition, I am eternally grateful to my family who have been there to support me through thick and thin. Without them, I will not be able to finish my studies.

I am also thankful to my life mentor, Renny Anggraenny, for her great help and encouragement in my life.

Last but not least, I would like to send my thanks and love to all my friends, especially Clesyana Theadora Kashali, Vivian Tanto and Janice Natasha for making my university life colorful.
