ACKNOWLEDGEMENTS

First and foremost, I would like to thank God for His grace that is sufficient for me. Thank you for working perfectly in my weakness and giving me wisdom, strength, and people around me so that I am able to finish my thesis.

I would like to express my sincere gratitude to my research supervisor, Joanna Deborah, S.S., M.Hum., who has patiently guided me and given her time to correct my work and give suggestion so that I can get the right understanding and finish this thesis.

I am profoundly grateful to my beloved parents and uncle. Thank you for always believing in me, encouraging, and supporting me to finish this thesis.

My special thanks go to my boyfriend, Lutfi Lufthansa, and the following friends for their continuous support and friendship: Cindy Zahra Devita, Cindy Alviyunita, Cynthia Herianto, Astrid Riani Damayanti, Erica Apriliani, and Nabila Febrianti.

Last but not least, I would like to thank all my friends, lecturers, and people who have contributed to the writing and completion of this thesis, especially to the head of the English Department, Rizki Theodorus Johan S.S., M.A., for his help and support.
