## **ACKNOWLEDGEMENTS**

Praise the Lord for the health and blessings He has given me, and thanks for my family for always giving me support.

Firstly, my deepest gratitude is for the English Department, Maranatha Christian University, as the place where I gain knowledge, for all the lecturers, all the administration and laboratory staff.

I am also indebted by the mentoring of my Department Head, Rizki Theodorus Johan, M.A. and my Dean, Anton Sutandio, Ph.D., for their guiding me in acting in several Saint Club's projects and in Theatre Production 2016.

Then, I would also express my sincerest gratitude to my first supervisor, Dr. Trisnowati Tanto, M.Hum., for always spending her extra time and energy to guide and help me throughout the writing of this thesis which has to be started earlier and has to be revised on-line. I would also express the same gratitude to my second supervisor, Henni, S.S., M.Hum., for always guiding and helping me throughout the writing process of my thesis and for being patient waiting for the delayed revision.

Lastly, I would also give thanks to all of my class of 2014 batch mates, seniors, juniors, and also for Kuku Bima Squad, especially Uncle P and crew for teaching me the way of rock' n' roll.
