## **ACKNOWLEDGEMENTS**

First of all, I would like to thank God for helping and blessing my thesis. He gives me strength and faith. Besides, my thanks also go to all the people who support me so that I am able to finish my thesis.

I would like to say thank sincerely to my thesis supervisors, Jeanyfer, S.S., M.Hum. and Dr. Trisnowati Tanto, M.Hum., who have guided and given their suggestions, comments, and solution to my work patiently so that I am able to finish my thesis. It is an honor to have great supervisors like them.

I am blessed to have a mother and siblings who are always there for me. Thank you for never leaving me, but always motivating and supporting me to believe in myself so that I can finish this thesis well.

I give my special thanks to my friends for their constant prayers and help. They are Cynthia, Debby, Yelline, Keshia, Shania, Audrey, Ruth, Nabila, Enrico, Dilla, Heidy, and Merry. I will never forget everything they have done for me.

Above all, I am deeply thankful to all the lecturers in the English Department who have taught and guided me until now. Besides that, I am grateful for having my spiritual family, Maranatha 5 in GKPB Fajar Pengharapan. They are loyal witnesses of my journey in writing this thesis. Because of them, I have encouragement to finish my thesis.
