ACKNOWLEDGEMENTS

First of all, I would like to thank God for the blessing and guidance in the accomplishment of this term-paper. Next, I would like to thank Dra. Irene L. Kendra, M.M., as my supervisor, for her guidance and patience and also support until I finish this term-paper. Next, I would like to thank Mrs. Asti Surya as the owner of La Douche Vita. With her permission I could do my internship and finish it well. Next, I would like to thank my family, my mother and my elder sister, who were always present beside me, and gave me support during the writing of this term-paper. Next, I would like to thank all lecturers of Diploma-Three English Program for their support and guidance, and I would also like to thank my nephew, Irfan Maulana, and all of my friends. The last but not least this term-paper is especially dedicated to my late-father.

Without all the supports and the motivation from those people, I will not be able to finish this term-paper well. I hope this term-paper will be useful for all people who read this.
