ACKNOWLEDGEMENTS

First I would like to thank Jesus Christ for the strength, health, and blessing He gives to me from the beginning of this thesis writing process until its completion.

This is such a privilege for me to give thanks and gratitude to my one and only supervisor, Jeanyfer, S.S, M. Hum., the one who always supports me to finish this thesis and also give me a lot of suggestions. I would like to give thanks to all of the English Department lecturers for teaching me for the past four years. Moreover, I would also thank the Head of the English Department, Rizki Theodorus Johan, S.S., M.A., who has always been kind to me.

Furthermore, I would like to thank my family for the never-ending love and support. I would also like to send my love to all of my friends who have supported me throughout these four years in university, especially Nanat, Nadira, William, Abigail, Yoli, Tiara, Youland, Irene, Jessica, Arista and Zakharia.
