## ACKNOWLEDGEMENTS

I would like to thank Jesus Christ for His grace so that I have been able to finish writing this thesis. I would also like to thank everyone who has helped me in the writing process of this thesis.

First of all, my sincere gratitude goes to Mr. Rizki Theodorus Johan as my *Proposal Seminar Sastra* supervisor, Mr. Sonny Angjaya as my supervisor I and Mrs. Yugianingrum as supervisor II. This thesis would not have been accomplished without their valuable assistance and great encouragement.

I am especially and heartily grateful to my father, Likas Sonada Cayadi, my mother, Murliati, my brother, Nuh Imantaka Cayadi and my little sister, Miranda, whose love and guidance are with me in whatever I pursue.

I am also thankful to all my friends in Maranatha Christian University, especially Reyner Sean, Rora Nurinda, Stefani, Cindy Nathania, Indah, Anindya, July, Yolitaeka, Nadira, Tiara and Andreas Erwin Imanuel. They have given me countless support, help, love, and motivation throughout my academic journey and my thesis writing process.

Lastly, I would like to thank Kelven Daniel Tambunan for providing me with unfailing support and continuous encouragement throughout my years of studies and through the process of the research and the writing of this thesis.
