ACKNOWLEDGEMENTS

First I would like to thank to Almighty Allah SWT for giving me guidance, and strength to let me finish this thesis.

Secondly, I would like to express my special appreciation to my supervisor, Jeanyfer, S.S., M.Hum., for her kind help, encouragement, comprehensive advice and patience throughout the process of writing this thesis. There are not enough words to describe how grateful I am for having a supervisor like her. Without her guidance and help, this thesis would not have been possible.

I would like to thank my academic counselor, Hianly Muljadi, S.S., M.Hum., who has given me a lot of advice, and support since the first semester and until now. I would also like to thank the Head of Department, Rizki Theodorus Johan, S.S., M.A., who has always been kind-hearted to me.

I would like to thank my parents for their love, support, and strength to me in writing this thesis and also finance my education. Finally, I would like to thank all of my friends who have been there for me in any kind of situation and the endless support that they have given me especially to Yoli, Natasha, Nadira, William, Angel, Yudia, Abigail, Naufal, Tiara, and to all my friends in Maranatha Christian University, especially my friends in Maranatha Photography Club (MAPHAC).
