ACKNOWLEDGEMENTS

First of all, I would like to express my highest gratitude to Almighty God for the blessings and opportunity to finish this thesis because without God's will everything would not be happen.

As the source of my strength and motivation to complete this thesis, I would like to express my thanks to my beloved family, especially my parents for their never ending love and support.

I would like to give my special thanks to my supervisor, *Ibu* Fenty Lidya Siregar, Ph.D., who has given me guidance and help from the beginning until the completion of this thesis. My sincere thanks also go to *Ibu* Lewinna Christiani Aguskin, S.S., M.A., who has guided me to collect the data as well as giving me advice during my internship period.

I would like to thank all of the participants for their willingness to be involved in this thesis.

I would also like to thank all of my friends (Yowana, Vidya, *Ci* Vanessa, *Ci* Seyla, Felicia, Kevin A.) who have given me support and encouragement during my study and the thesis writing process.
