## **ACKNOWLEDGEMENTS**

First of all, I would like to thank and be grateful to Allah the Almighty for His guidance in the writing process of this thesis, which has been an extraordinary and memorable experience for me.

I would also express my gratitude to both of my supervisors, Ms. Lewinna Aguskin and Ms. Yugianingrum, for all their valuable advice and support in the accomplishment of my thesis. I sincerely appreciate all the assistance and encouragement that they have given to me.

I wish to thank my family for their support and prayers throughout my life, especially during my studies and the writing process of my thesis. My thankfulness also goes to my aunt Agustina Wulandari who has lent me her laptop and printer so that I can finish my thesis.

Finally, I would like to thank my friends Sylvia Kristanto, Valeri Wijaya and Victoria Joanna, who have helped me finish my thesis.
