ACKNOWLEDGMENT

First thing first, I am really grateful to Buddha and all of *Bodhisattvas* who have blessed me with everything I need during the writing of this thesis.

Next I would like to show my gratitude to my family. First to my parents, Ho Efendi and Phoa Yuliana, who have sacrificed a lot of things in order to provide me with the chance to get great education in Maranatha Christian University. Next to my brothers, Yuwono and Yulianto, who constantly helped me whenever they could.

I would also like to give my gratitude to my supervisor, Dr. Trisnowati Tanto, M. Hum. She has not only guided me ever so patiently from square one up until the end, but also provided me with a lot of knowledge in process.

I am also really grateful to the English Department of Maranatha Christian University for being the place I can deepen and strengthen my skill in English. Next I want to thank my beloved friends who constantly give me countless support. They are Madeline, Aldo, Dori, Evelyn, and Sharon.
