I am very thankful to my family who always ready to support me whenever I need some help. Especially for my parent, who keep encourage me even though they are busy and far from here. Every support you give was amazing.

Finally, I also feel very grateful for miss Jeanyfer Tanusy as my supervisor who accompany me from the beginning until the end. I know it is not easy to take care of someone like me, but thank you for always been there and accept me with a smile. Everything you gave was unforgettable.
