## ACKNOWLEDGEMENTS

First of all, I am very grateful to the Lord, because of His blessings, I can finish my term paper. I would also like to say thank you to all of the people who have helped me to go through this entire internship program and this thesis writing. At this moment, I would like to express my gratitude to the owners of Maestro Radio, Mr. Agus Budiono Ibrahim and Mrs. Mitzy Angriani Ibrahim and also their son, the manager of the Maestro office, Mr. Stephen Mathew Ibrahim. They are the ones who have allowed me to do my internship at Maestro Radio. I would also like to give thanks to my supervisors, Ms. Tirza and Ms. Yosiana, for the help while I was doing my internship. My gratitude also goes to Mrs. Irene who has supervised and given advice for my term paper. A lot of gratitudes also go to all D3 English Program's lecturers who have supported me. I will not forget the most important supporters, my parents, along with my sister and my best friend for their support. My gratitude also goes to my special partner who has encouraged and given me spirit to write this term paper.

I could not have done my best if I do not have the people I mentioned above to support and inspire me. Thus, I would like to dedicate all my efforts in finishing this term paper to my family and best friends.
