ACKNOWLEDGEMENTS

First of all, I thank Jesus Christ, my helper and my savior, for His blessing and guidance in the accomplishment of this term-paper. This term-paper is written for my final study at D3 English Program in Maranatha Christian University. First, I would like to thank Lewinna C. Aguskin S.S., M.A. as my supervisor, for her guidance, support, assistance, and the most important thing is her patience to help me finish the term paper. Second, I would like to thank the owner, the principal, and all the teachers and staff in *Anakku: Playgroup and Kindrgarten* for all the support and experiences in teaching English when I did my internship. Third, I would like to thank all the lecturers at D3 English Program for the knowledge and encouragements. The last, I would like to thank my parents and my husband for the endless support and encouragements for the past five years. Without all supports, encouragements, and motivation from whose names mentioned above, I will not able to finish this term-paper well. I hope this term-paper will be useful for all people who read this
