ACKNOWLEDGEMENTS

In the name of Jesus, I have completed my thesis entitled “Saussurean Analysis on *Borderlands 3* Game Cover”. On top of that, I would extend my gratitude to everyone who has helped and supported me in the process of writing my thesis.

Above all, it is hard to find words to express how sincere I am to convey my gratitude to Ms. Jeanyfer as my supervisor, for her guidance, constructive feedback and valuable advice in completing my thesis.

In the second place, I am incredibly grateful to my family (Andri Heryadi, Veni Veriyanti, Felix Andrean and Falen Andrean), who always encourage me, stand with me in hard situations, and give me love and supports.

In the end, I also thank for all the lecturers, all of my friends in Maranatha Christian University especially Bardaks, and my best friend Mey for always supporting, accompanying, and giving me advice in any time during my university years.
