ACKNOWLEDGEMENTS

Praise God Almighty, because of His grace, love, opportunity, health, and mercy that He gave me, I am able to finish this thesis entitled Male Representation in Roald Dahl's "Nunc Dimittis".

I would like to express my deepest gratitude and appreciation to my supervisor, Jeanyfer Tanusy, S.S., M.Hum, for her patience, guidance, support, and correction in supervising me during the process of writing this thesis. Without her help I could never have finished my study and thesis.

I would like to express my gratitude to my parents, brothers, and other family members for every support and advice so that I could always move forward and never give up in reaching my dreams.

My gratitude also goes to my best friends that never stop supporting me and helping me in time of need. May God always bless them all.
