ACKNOWLEDGEMENTS

Foremost, I would like to praise God the Almighty, who poured out His blessings throughout my thesis writing process until it is accomplished.

I also wish to show my gratitude to my supervisor, Dr. Trisnowati Tanto, M.Hum., for her guidance in completing this research. Besides, I would like to extend my special thanks to all the lecturers who have educated me so well while studying in the English Department.

I also send my generous gratitude especially to my dear mother as well as my relatives who support me spiritually, mentally, and financially to study in the English Department, Faculty of Languages and Cultures, Maranatha Christian University until finally I can finish my study.

Last but not least, I truly express my appreciation to my friends who always encourage me in my hard times during these four years of study.
