## ACKNOWLEDGEMENTS

Firstly, I would like to express my greatest gratitude to my Jesus Christ for His great blessings and unending grace in my life, so that I could accomplish this thesis well. My gratitude also goes to my beloved parents; Fredy Efianto and Welly Sagita. Their support, love, and prayer mean a lot. They always help and strengthen me during the thesis writing process.

Then, I would also give my sincere appreciation to my one and only supervisor, Dr. Trisnowati Tanto, M. Hum. Thank you for all your extraordinary guidance, knowledge, patience, suggestion, correction in helping me to finish my thesis. Besides, I gratefully thank Maranatha Christian University, especially the English Department for being a place where I can study and gain a lot of knowledge, many lessons, and experiences to improve myself.

Last but not least, I would say my big thanks to my best and crazy friends: Reyhan Aristo, Cindy Angria, and Ria Anasya, who always become my mood boosters. Thank you guys for all of your unconditional support and help that you have given to me. May our ups and downs in this journey become a beautiful memory to be remembered.
