## ACKNOWLEDGEMENTS

First of all, I would like to say *Alhamdulillah*, much praises and gratitude to Allaah SWT for His abundant blessings and grace so that I can finally finish this thesis. Also, to my parents and family for being my beloved timeless supporters.

Equally important, my gratitude goes to my two incredibly amazing supervisors: Ms. Henni, S.S., M.Hum, and Ms. Maryani, S.S., M.A, for their valuable knowledge, guidance, patience, and assistance throughout this thesis writing process. I would also like to thank Maranatha Christian University, especially the English Department for being a nice place where I could gain broader knowledge and experiences from all the lectures and staffs.

Last but not least, thank you to all of my friends, especially those who have struggled with me in this journey. I am so grateful to have friends like you all. May all ups and downs that we have shared together remain unforgettable and heart-warming.
