**Artist** Elizabeth Susanti  
**Country** Indonesia  
**Category** Public  
**Title** Back To School  
**Year** 2014  
**Description** This photo was taken in 2014 in front of a school in Nepal. The children seem happy to go to school and meet their playmates. This photo is nostalgia and hope for us to be cheerful and active again. The teacher teaches, and the children learn as well as socialize with their friends.

**Artist** Eliati Djakaria  
**Country** Indonesia  
**Category** Public  
**Title** Together In Diversity  
**Year** 2021  
**Description** Art work reflects the differences in shapes, colors, patterns and textures in the uniqueness of each brooch that is combined into one solid unit. The circle shape reflects togetherness, as a symbol of unbroken hope and new hope for the world to collaborate in fighting the world's problems
