Dear authors,

As we prepare for the conference publication, the publication team has found that many camera-ready files do not comply with the required template.

To ensure a smooth publication process, please submit the following by September 11, 2024: (i) the camera-ready paper in both PDF and DOCX formats, and (ii) the similarity check results.
All files should be uploaded using the following link:

https://docs.google.com/forms/d/e/1FAIpQLSeCBni1ktAT-1dBZhFHI9UwWzhBkNtOchkvUU_0XjNtn98VvQ/viewform

Please note that the publication team will compare the similarity check results you provide with those obtained before the paper review. Any delays or failure to submit the required files may result in your paper not being published.

best regards,
Publication Team
