*- Formulir Usulan*

Form data Jenis barang

The screenshot shows a window titled "Data Jenis Barang" with a close button in the top right corner. The main heading is "DATA JENIS BARANG". Below the heading, there are two input fields: "Kode Jenis" with the value "1" and "Jenis Barang" with the value "Oli". Underneath these fields are four buttons: "New", "Edit", "Done", and "Close". At the bottom of the window, there is a record navigation bar that says "Record: 1 of 9" with navigation icons for first, previous, next, last, and refresh.

Form data barang

The screenshot shows a window titled "DATA BARANG" with a close button in the top right corner. The main heading is "DATA BARANG". Below the heading, there are several input fields: "Kode Barang" with the value "2", "Nama Barang" with the value "Top 1 Formula 1ltr", "Kode Jenis" with a dropdown menu showing "1", "Jenis Barang" with the value "Oli" and a "Jenis Barang" button to its right, "Harga" with the value "Rp20.000", and "Stok" with the value "10". Underneath these fields are four buttons: "New", "Edit", "Done", and "Close". At the bottom of the window, there is a record navigation bar that says "Record: 1 of 3" with navigation icons for first, previous, next, last, and refresh.
