

APPENDICES

Title of the book: Pieces of Life

Data 1: “The Cellar Door to the Underground of Death”

(Page 132, 145 words)

-My holiday-

(1) I will spend my holiday in Lembang, my mother lives there with her second husband, Joel Madden, and his son, Louise. (2) My father had passed away 9 years ago, 4 years after that my mom married with Joel, all of us moved from New Jersey to Indonesia, and I live in Bandung. (3) I have thanks to God that I'm not living together with them, they build a farm in Lembang, and then I study in Bandung, at Maranatha Christian University. (4) Actually I like to spend this holiday to look for a job. (5) I miss my mother so much. (6) On the other hand, I still hate her. (7) She didn't want to know my feeling. (8) She asked me about her wedding, she said she would do anything I want, but she didn't. (9) That man, has taken my mother and her love from me.

Data 2: “Nothing is Impossible!!!!”

(Page 62, 94 words)

(1) My name is Marina Marilova I am school in Vaganova Ballet Academy in St. Pettersburg, Russia. (2) I was 10 when I got into this school. (3) I lived in St. Petersburg, Russia with my parents and my sister Tamara Spesivtseva, who is older 4 years. (4) We live in the same house and we have the same parents but we are very different even though we are sisters. (5) Tamara has a blue pair of eyes, she has a perfect blonde hair, and I was shorter than her, in her school she always gets the first rank.

Data 3: “Meina’s Big Day”

(Page 117, 104 words)

(1) Meina is a sweet nice girl who I ever befriend. (2) What I knew about her is friendly, help others and generous. (3) I have befriended with her since we were in Santa Angela High School so as the others such as Dandry, Viona and Lark. (4) First I knew Meina; I think she is a kind of fierce and proud because of her appearance. (5) Then I was wrong, she doesn’t like that kind of person. (6) I like to have a friend as she is. (7) And in one week, she will have her big day and we will plan our surprise for her. (8) We ask some help from her parents too and of course without she knows.

Data 4: “When Wilma Came”

(Page 32, 139 words)

(1) This day is 24 October 2005 in South Florida. (2) Emily who lives in a little Toy’s shop was playing with her cars. (3) Although she is a 7 years old girl but she really likes cars. (4) She has 5 cars. (5) One is from her mother in her 4 years birthday, one is from her uncle who is living in Ohio, one is from her grandfather who has passed away last year, one is from her father in her 6 years birthday, and the last is from her brother. (6) She gets up earlier this day because her brother promised her to play cars with her when she comes back from her school. (7) His name is Dave. (8) Dave is 10 years old and today he does not go to school because his leg was broken since the ladder fell down to him.
