**By: 50 Cent**

[Intro: 50 Cent]

Yeah...

Uh huh

So seductive

[Chorus]

I take you to the candy shop

I'll let you lick the lollypop

Go 'head girl, don't you stop

Keep going 'til you hit the spot (woah)

I'll take you to the candy shop

I'll have you spending all you got

Boy one taste of what I got

Keep going 'til you hit the spot (woah)

[Verse 1: 50 Cent]

You can have it your way, how do you want it  
You gon' back that thing up or should I push up on it  
Temperature rising, okay lets go to the next level  
Dance floor jam packed, hot as a teakettle  
I'll break it down for you now, baby it's simple  
If you be a nympho, I'll be a nympho  
In the hotel or in the back of the rental  
On the beach or in the park, it's whatever you into  
Got the magic stick, I'm the love doctor  
Have your friends teasin you 'bout how sprung I gotcha  
Wanna show me how you work it baby, no problem  
Get on top then get to bouncing round like a low rider  
I'm a seasons vet when it come to this shit  
After you work up a sweat you can play with the stick  
I'm tryin to explain baby the best way I can  
I melt in your mouth girl, not in your hands (ha ha)

[Chorus]

I take you to the candy shop  
I'll let you lick the lollypop  
Go 'head girl, don't you stop  
Keep going 'til you hit the spot (woah)  
I'll take you to the candy shop

Boy one taste of what I got  
I'll have you spending all you got  
Keep going 'til you hit the spot (woah)

[Bridge]

Girl what we do (what we do)  
And where we do (and where we do)  
The things we do (things we do)  
Are just between me and you (oh yeah)

[Verse 2: 50 Cent]

Give it to me baby, nice and slow  
Climb on top, ride like you in the rodeo  
You ain't never heard a sound like this before  
Cause I ain't never put it down like this  
Soon as I come through the door she get to pullin on my zipper  
It's like it's a race who can get undressed quicker  
Isn't it ironic how erotic it is to watch em in thongs  
Had me thinking 'bout that ass after I'm gone  
I touch the right spot at the right time  
Lights on or lights off, she like it from behind  
So seductive, you should see the way she wind  
Her hips in slow-mo on the floor when we grind  
As Long as she ain't stoppin, homie I aint stoppin

Drippin wet with sweat man its on and popping  
All my champagne campaign, bottle after bottle its on  
And we gon' sip til every bubble in the bottle is gone

[Chorus 2x]

I take you to the candy shop  
I'll let you lick the lollypop  
Go 'head girl, don't you stop  
Keep going 'til you hit the spot (woah)

I'll take you to the candy shop  
Boy one taste of what I got  
I'll have you spending all you got  
Keep going 'til you hit the spot (woah)

It go up and down and round and round

Stand up or get on the floor

Its on tonight I know what you like

I know just how to break ya off

*[Verse 1]*

Good evening ladies, I'll tell you from the start

I'm hoping you enjoy my amusement park

Theres lots of activities, fun things to do

And I find my pleasure in pleasing you  
Some rides go fast, some rides go slow  
If you fear heights when I'm high hell yeah I'll go low  
It taste so sweet, that sticky cotton candy  
If you get carried away  
We'll be starting a family  
This is a perfect time for a magic trick  
Good humor is no fun without the magic stick  
Now watch me as I pull a rabbit out a hat  
Then you can use the rabbit all over your cat  
Applause now thats the first half of my act  
I started out like a pimp  
Now I'm more like a mac  
I don't need your paper just don't fuck with my stack  
Oh its like that  
yeah its like that

*[Chorus]*

Shawty you don't have to take your pantys off  
Just move 'em to the side  
If you wanna ride on the roller coaster  
Baby come on and ride  
It go up and down and round and round  
Stand up or get on the floor

Its on tonight I know what you like

I know just how to break ya off

*[Verse 2]*

Now you can ride the horse round the carousel

Expulsion, trojans, all in the hotel

Put me to the test girl, I don't fail

I work it out, without a doubt

Theres plenty water rising sure to get you wet in the pop

Have your lustious seductions considered or not

Throw a hoop around the bottle

I'll be your teddy bear

Whatever color you like, you know I don't care

I really wanna thank you for attending this affair

Now go encourage your friends to come have fun here

I smile when I speak

But I'm being sincere

Your pass is valid all summer my dear

So at your convenience you can always return

There're so many tricks to the trade you should learn

Suck that, lick that, swallow that lolly pop

forget that, grib that, ride it non stop

*[Chorus]*

Shawty you don't have to take your pantys off

Just move 'em to the side

If you wanna ride on the roller coaster

Baby come on and ride

It go up and down and round and round

Stand up or get on the floor

Its on tonight I know what you like

I know just how to break ya off
