Say hey

Dee ee ef gee  
Aitch eye jay kay

El em en  
Oh peek you are  
Rest tea you vee

Alright, Yo, Thin  
We heard ya'  
Your crazy kid version  
But now it's time  
For me to rap and rhyme

You can cross your T's...  
.....  
But dot your T's...  
.....

(refrain)

One two three  
Four five six seven  
Eight nine ten eleven  
Twelve thirteen  
The smartest dudes  
You've ever seen

You think you're bad  
But I am worse  
I can say it in reverse...  
.....

Zee...  
.....

I can say it either way!  
Even backwards  
Z to A

Everything's in order...  
.....

(refrain)

So now you know  
that you are cool  
And you can show it  
off at school  
The lesson of  
our rap's a bet  
That you have learned  
The alphabet

One two three  
Four five six seven  
Eight nine ten eleven  
Twelve thirteen  
The smartest dudes  
You've ever seen!

*The Colors of the Rainbow*  
*Song Lyrics and Sound Clip*  
*David Putano*

(chorus)  
The colors of the rainbow  
Red, orange, yellow, green, and blue –  
purple too  
The colors of the rainbow  
Red, orange, yellow, green, and blue

Red, a fire truck so bright  
Red is an apple shining in the light

Orange, is a tiger and it's stripes  
Orange leaves on a tree are a sight

(chorus)

Yellow, the color of the sun in the sky  
Yellow is the color of lemon pie

Green are leaves, and green is the grass  
Green is the Christmas tree we have

The sky is blue - the ocean is too  
And lilacs are beautiful purple -  
for me and you
