

APENDIX1: The Sample of E-mail

Dear Pinpin,

Although the customer will not provide the comment of approval sample (salesman sample), we can advise the following comment to you for making the size set samples to the customer.

1) L10 3218-701 please follow the measurement chart of L10 3218-701. Since the chest width, waist width, bottom hem width has changed their measurement, please note. Please also note the measurement of "body length from shoulder".

2) L10 6518-701 please change to new button. Mr Li will bring the style of button to show for you. Please also note the body length from shoulder, chest width, waist width, hip width, bottom hem width.

Best Regards
Eddie Cheng

Dear Pinpin, Savero,

prices as mentioned below are acceptable. The customer only need samples in pointell method = net structure. Please do not need to make samples in full jacquard method.

Please make samples (three pieces in size M of each style), total six pcs and send out on / before 14.09.2006.
Please confirm.

Best Regards
Eddie Cheng
