

LESSON PLAN

Name of the private lesson: Ace Kids

Level of the students : Basic 2 (third grade up to sixth grade students of elementary school)

Age of the students : 8-11 years old

English level : beginner

Language skills : speaking

Topic : at home

Sub topic : in the living room, bedroom, and bathroom

Objectives : - Students will be able to know vocabularies dealing with home and the rooms in it.

- Students will be able to pronounce groups of words related to the rooms correctly.
- Students will be able to practice their speaking skill by telling to their friends the activities in the rooms at their house.

Equipment : textbook, picture cards

Methods:

1. Students are shown the pictures of living room, bedroom, bathroom, which are taken from the book

Oxford English Picture Dictionary by E.C. Parnwell. (p. 29, 32, 33)

2. Students are to repeat the vocabulary related to each room after the teacher.

3. If the students pronounce the words incorrectly, the teacher will tell them the appropriate way to pronounce the vocabulary.
4. Students are asked to mention the activities that are used to being done at the living room, bedroom, and bathroom by inserting the vocabularies that have been introduced to them.
5. For review, the students are given an exercise which is taken from the ACE Kids text books of *Oxford English Picture Dictionary* by E.C. Parnwell. (p. 29, 32, 33). The exercise consists of some pictures related to the rooms (living room, bedroom, and bathroom) with blank text boxes beside the pictures. They have to fill in the blank text boxes with the right answers.
