LEMBAR PENGESAHAN ........................................................................................................... i
PERNYATAAN HASIL KARYA PRIBADI ................................................................................ ii
KATA PENGANTAR .................................................................................................................. iii
DAFTAR ISI ...................................................................................................................................... v
DAFTAR TABEL ........................................................................................................................... vii
DAFTAR GAMBAR ...................................................................................................................... viii
BAB 1 PENDAHULUAN
1.1. Latar Belakang Masalah ....................................................................................................... 1
1.2. Permasalahan dan Ruang Lingkup ...................................................................................... 3
1.3. Tujuan Perancangan ............................................................................................................ 3
1.4. Sumber dan Teknik Pengumpulan Data ............................................................................. 4
1.5. Skema Perancangan ............................................................................................................ 5
BAB 2 LANDASAN TEORI
2.1. Rumah Sakit
   2.1.1. Definisi Rumah Sakit ..................................................................................................... 6
   2.1.2. Visi dan Misi Rumah Sakit .......................................................................................... 6
   2.1.3. Tugas dan Fungsi ......................................................................................................... 7
   2.1.4. Klasifikasi Rumah Sakit Indonesia ............................................................................. 8
   2.1.5. Struktur Organisasi Rumah Sakit ............................................................................... 9
2.2. Teori Tentang Tanda
   2.2.1. Semiotik ..................................................................................................................... 10
   2.2.2. Tanda (sign) .............................................................................................................. 11
2.3. Teori Tentang Warna Untuk *Sign* .................................................................................. 28
2.4. Teori Tentang Tipografi ................................................................................................... 29
BAB 3 DATA DAN ANALISIS MASALAH
3.1. Data dan Fakta
   3.1.1. Sejarah Rumah Sakit Immanuel ............................................................................... 34
   3.1.2. Pedoman Rumah Sakit Immanuel ............................................................................ 35
3.1.3. Peran, Tugas dan Fungsi Rumah Sakit Immanuel ......................... 38
3.1.4. Klasifikasi Rumah Sakit Immanuel ........................................ 39
3.1.5. Jenis Penderita dan Pelayanan di Rumah Sakit Immanuel .......... 39
3.1.6. Struktur Organisasi .................................................................. 43
3.1.7. Hasil Wawancara .................................................................... 43
3.1.8. Hasil Observasi ........................................................................ 45
3.1.9. Hasil Kwisioner ....................................................................... 48
3.2. Tinjauan Terhadap Persoalan Sejenis ........................................... 52
3.3. Analisis Terhadap Permasalahan
   3.3.1. Analisa .................................................................................. 57
   3.3.2. Strategi Perancangan .............................................................. 57
BAB 4 PEMECAHAN MASALAH
   4.1. Konsep Komunikasi ................................................................. 60
   4.2. Konsep Kreatif ......................................................................... 61
   4.3. Hasil Karya ............................................................................... 64
   4.4. Biaya Media/Budgetting ......................................................... 82
BAB 5 KESIMPULAN DAN SARAN
   5.1. Kesimpulan ............................................................................. 86
   5.2. Saran .......................................................................................... 88
