目录

前言...........................................................................................................i
目录.......................................................................................................ii
第一章
序...........................................................................................................1
  1. 1 背景与目的.............................................................................1
  1. 2 程序与时间.........................................................................2
第二章
实习单位...............................................................................................3
  2. 1 名称与地址.........................................................................3
  2. 2 简介....................................................................................3
  2. 3 领域....................................................................................4
  2. 4 组织结构..........................................................................5
第三章
实习内容...............................................................................................6
  3. 1 范围与主要活动...............................................................6
  3. 2 监督者................................................................................6
  3. 3 教学方案/实习内容...........................................................7
  3. 4 成果.................................................................................34
第四章
实习的辅助与阻碍因素.....................................................................35
第五章
结束语.................................................................37

5. 1 结论.................................................................37

5. 2 建议.................................................................38

附录
