REVLON AIR BLUSH
Automatic Powder Blush

Leave it to Revlon to create the first automatic blush—AIR BLUSH. Hidden in the handle of the brush is our extraordinary, exclusive powder. Simply pump the bellows and press—a perfect dose is released into the brush. Now, because our blush is a silky loose powder the texture is softer, smoother. The colors sheerer. More radiant. The results unbelievably glorious, natural. Chic cheek perfection every time.

Think about it. Would you really trust a great perm to anything but Perma Soft®?
No way. The shampoo, conditioner, and styling products are specially designed to care for permed hair. They keep it soft and shiny without relaxing the curl. Why even think of using anything else?
TWICE THE LASHES.
TWICE THE FREEDOM.
COME RAIN OR SHINE.

NEW WATERPROOF

"For smiling eyes like those in Mona Lisa Smile, I recommend More Lashes. It volumises and separates to give you the look of twice the lashes. And with Waterproof you can keep that glamorous look, come rain or shine."

CAESAR SALAD

Freshly made every day, our delicious new Caesar Salad comes with a choice of grilled or crispy chicken. The warm chicken is served on a bed of six different varieties of "laimes", topped with Hidden cheese, croutons and a delicious creamy dressing. And for a lighter salad, you can choose grilled chicken and bacon dressing, without croutons for just 290 calories. The Caesar Salad is just one of the surprises on our all-new Salads Plus menu. Along with the Lemon Ranch Salad, a Grilled Chicken Caprese Sandwich and our Fruit & Yogurt with juicy berries, all of which are here to stay.

NEWWPEOPLE

TESSA

Tessa is typical of the new breed of customers attracted to McDonald's thanks to the introduction of our Salads Plus menu. Tessa enjoys going to the gym but, like many of us, she just never finds the time. She loves the Caesar Salad with crispy chicken that she's just discovered at McDonald's. And when she's feeling particularly virtuous, she goes for the lighter salad with grilled chicken and bacon dressing, but no croutons. Just like her enthusiasm for our Caesar Salad, Tessa, like the Salads Plus menu, will be a permanent fixture at McDonald's.
Bye-bye ultra dry.

Introducing
Never Say Dry™
Extra-rich moisture cream

While dry is fine for wit and wine, it drags a complexion down. Extracts found in Cherries, Plums, Apples and Pears satisfy even deeply depleted skin’s major moisture cravings. And big softies including Shea Butter, Grape Seed and Apricot Kernel Oil help parched skin look happy, healthy and well-hydrated for hours.
