FLOWCHART

Causes of the problem:
1. I had lack of teaching experience.
2. I am afraid to make a mistake when speaking in front of people.
3. I had monotonous teaching techniques.

Problem:
I had personal problem of getting nervous when teaching in class.

Effects of the problem:
1. I cannot deliver the material well.
2. I did not become a good model for the students.
3. I got warning from my supervisor.

Potential Positive Effects:
1. Books can improve my knowledge.
2. I can realize teaching.

Potential Solution I:
I read books about teaching methodology.

Potential Negative Effects:
1. Reading a book need a lot of time.

Potential Positive Effects:
1. I become more confident.
2. I have good preparation.

Potential Solution II:
I make a plan before teaching.

Potential Negative Effects:
1. I got difficult to change the activity.

Potential Positive Effects:
1. I can get new teaching idea.
2. I can obtain additional information.
3. I can reflect my own strengths and weaknesses.

Potential Solution III:
I do observation in class.

Potential Negative Effects:
1. Headmaster did not allow to be observed teacher while teaching process.

I will use all the potential solutions because all the potential solutions are useful and support each other.
