CAUSES
- The teacher has no experience in teaching children.
- There is a naughty child in class who disturbs other children in class.

PROBLEM
The teacher had difficulty in teaching children in Runner Class at K2S.

EFFECTS
- The children do not understand the material well.
- The teacher cannot finish the lesson on time.

NEGATIVE EFFECTS
- The child might hate the teacher and will not want to study anymore.
- The child could be angry or cry and disturb the learning process.

NEGATIVE EFFECTS
- It might make the teacher feel tired.
- It will consume the teacher’s time.

NEGATIVE EFFECTS
- It might make the children not want to study seriously.
- It might make the children feel bored if the teacher cannot give different activities.

POTENTIAL SOLUTION 1
The teacher should be given more teaching practice by the institution.

POSITIVE EFFECTS
- The teacher can get closer with the children.
- The teacher will know how to make the teaching – learning process more fun for the children.

POTENTIAL SOLUTION 2
The teacher gives the naughty child penalties and rewards.

POSITIVE EFFECTS
- The child might listen to the teacher.
- The child might not disturb other children in class.

POTENTIAL SOLUTION 3
The teacher gives fun activities in the learning process based on the topic.

POSITIVE EFFECTS
- The teacher can teach and handle the children well in class.
- The activities will make the children feel enthusiastic and motivated to study in class.

CHosen Solution
- The teacher should be given more teaching practice.
- The teacher gives fun activities in the learning process based on the topics.
