**Problem:** Negligence of the workers to check the goods stock in the warehouse

**Effects:**
1. The lateness of goods delivery
2. The goods in the warehouse were out of stock
3. Unsatisfied customers

**Causes:**
1. They became unmotivated because they bored with regularly job
2. They distracted because they kept talking with other coworkers
3. Unsupervised workers

**Potential Solution I:** To build motivation by giving praise

**Potential Positive Effects:**
1. The workers will be more diligent
2. Workers become more motivated to work

**Potential Negative Effects:**
1. They feel that they are being evaluated
2. The effect of motivation is temporary

**Potential Solution II:** Boss takes all staff out for lunch together every 3 months

**Potential Positive Effects:**
1. Consolidate the relationship between employees and the boss
2. Build a good communication each other

**Potential Negative Effects:**
1. The workers will misunderstand the boss goodness
2. Company will spend extra money

**Potential Solution III:** Supervisor always supervises the workers’ work

**Potential Positive Effects:**
1. Supervisor can remind workers when they make mistakes
2. Workers will be more careful in working

**Potential Negative Effects:**
1. Workers will feel stressful because they are always monitored
2. Workers feel distrusted by supervisor
3. Lack of individual creativity

**Chosen Solution:**
Boss takes all staff out for lunch together every 3 months + Supervisor always supervises the workers’ work
